

BEHAVIOR AND LEARNING CHALLENGES IN SCHOOL

Children succeed at school when they feel physically and mentally well enough to learn.

If your child has trouble at school, your child may have behavior or learning challenges. Some children may have mental health challenges that cause them to act out or struggle to learn. Other children may have disabilities and physical challenges.

Your child may need special behavior or learning supports. Your school and community can help.

This section provides information about the following behavior and learning challenges:

- Mental Health
- Trauma
- Disabilities
- Learning Disabilities
- Language Impairments
