

## **ADVOCATING FOR BETTER SCHOOLS AND COMMUNITY**

All schools need your help. You can help improve your school and give your child a better learning experience.

In this section, you will find out how you can make your school better.

This section provides information about the following areas of advocacy:

- Helping Your School and Other Parents and Caregivers
- School Climate
- Improving Student Behavior with PBIS
- Georgia Apex and Behavioral Health
- School-Court Partnerships to Improve School Climate
