

GEORGIA APEX AND BEHAVIORAL HEALTH

Georgia has a program to help schools pay for children's behavioral health services. The program is called Georgia Apex. Schools with Georgia Apex have counselors inside the school who can help students.

If your child needs help, ask your school if it has counselors who can help.

How does Georgia Apex pay for services?

Georgia Apex counselors do not charge you directly for services. They might charge Medicaid, PeachCare, or your private health insurance.

What can I do if my school doesn't have Georgia Apex?

Ask your principal and counselors to enroll in Georgia Apex. Schools must apply and be selected for Georgia Apex.

Your community or school may have other resources that can help your child. Read our guides on
