

SCHOOL-COURT PARTNERSHIPS TO IMPROVE SCHOOL CLIMATE

You can help your child's school and school district be safer, happier, and more successful.

- You can get involved with a special partnership between your local court and the school district. In most counties, these partnerships are called the **Student Attendance and School Climate Committees**.
- You can improve your school's climate by volunteering at your local school or at school events. Read our guides on [School Climate](#) and [Getting Involved with Your School and Other Parents and Caregivers](#).

To attend a Student Attendance and School Climate Committee meeting, call your local superior court or juvenile court and ask for information about the next meeting of the committee. Georgia law requires that every county have a Student Attendance and School Climate Committee.
