Young Professionals Council "Leader Board"

The Young Professionals Council ('YPC' to all in the know) is the dynamic young leadership affiliate of Georgia Appleseed. Its volunteers have been active in two important GA Appleseed projects, heir property and student disciplinary tribunal representation. YPC volunteers created attorney training manuals in each of these areas and sponsored accompanying CLEs. Our 2013 Good Apple Award was presented to YPC Heir Property Project Chair, Shunta Vincent McBride (DLA Piper).

This month the YPC welcomes new leadership. Eric Fisher (Taylor English Duma LLP) is the new President. In this capacity, Eric also sits on the Georgia Appleseed Board of Directors.
