## New Video Release! 'Changing Direction: Dismantling the School to Prison Pipeline'

How is Georgia Appleseed using its extensive discipline research to help Georgia communities transform the school to prison pipeline into one of school to success? Its new video 'Changing Direction' tells the story. Watch it now.

Georgia Appleseed's bright red Keeping Kids in Class Toolkit is another way it is sharing its research findings and expertise. The online Toolkit is filled with tools and data to help parents and community action groups advocate for change in their public schools and stem the flow of the school suspension pipeline to juvenile court.
