

# 2019 GOOD APPLE EVENT

The evening of April 24 at  
THE STAVE ROOM

Georgia Appleseed's 2019 Good Apple Event will honor the pro bono efforts and support of those who make our successes possible.

Our projects have inspired hundreds of lawyers and other volunteers to donate thousands of hours of service in objective legal and factual research and analysis; in report preparation; and in policy advocacy.

## About Us

The Georgia Appleseed Center for Law and Justice is a nonprofit, nonpartisan, public interest law center with the mission to increase justice in Georgia through law and policy reform. We seek a Georgia where the voices of poor people, children and marginalized people are heard and where injustices that no one should endure are resolved. Despite its small staff, Georgia Appleseed has been able to address serious issues of public concern by enlisting the volunteer services of lawyers and other professionals from around the state.

From passage of a new Georgia Juvenile Code, to efforts to dismantle the school-to-prison pipeline, to our work to transform heirs property into family assets for low-income landowners, Georgia Appleseed is helping Georgians statewide through law and policy reform. Recent efforts also include helping foster care students stay in school and addressing equal justice in law enforcement issues.
