Who We Help

Parents, caregivers, and advocates of children who are:

- Facing long-term suspension or expulsion from public school
- Scheduled for a school tribunal or manifestation determination hearing
- Having trouble enrolling in public school
- Struggling to access special education services or disability-related supports, including 504 Plans or IEPs.

Our nonprofit law center serves children and families in all 159 Georgia counties

How We Can Help

Georgia Appleseed offers *FREE*:

- One-on-one coaching to help parents prepare for school disciplinary hearings and meetings
- Trainings, online courses, and written resources
- Clinics to help families address special education and disability-related concerns
- Direct legal representation, in limited school situations, when available.
